Subject: Job Opening

Life Skills in St. Louis is looking for individuals that have a B.A. degree, flexible schedule, and ASL fluency to work with a Deaf individual in the area. This would be working with someone that has a developmental disability, is fairly high functioning, but needs some help with day to day living skills.

If you know of anyone interested in this, please let me know and please spread the word.

Elijah Buchholz, LPC

Director of Deaf Services

Department of Mental Health

1706 E. Elm St.

Jefferson City, MO 65101

Phone: (573) 526-1857

VP: 573-298-6764

Fax: (573) 526-7926
